Tasaku...

I'm going to go to Shiki's home.

Why do you have to go there?

Because...

It would be awkward for Shiki to come here.

It's not like that...

It's only you who would feel awkward, isn't it?

Amokoro is

I'm

That guy

there.

Why
is
that?

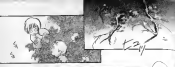

We
don't
need
him
here.

This place
is cool!

WHAT IS
GOING ON?

This person...

is my comrade.

Despite the fact that you are spirits protecting this house,

You shouldn't have hurt my comrade

They
thought I'd
be occupying
the house.

They
don't mean
any other
form.

Why did
you stop
me?

They
nearly
killed you!

That is
bizarre.

I'm a

They're

that you
can die
by my

DON'T

It is not possible for my house to have weird things like that.

That means I didn't see anything.

It's doubtful.

Also, neither do I approve of the things going on between you two.

So, you two don't need to leave school either.

That one...

body cleaning

What things?

Didn't you know...

do not of other things?

Is this content inappropriate enough?

You're not human?

I don't quite understand it all, but they're definitely not human.

But they tend to leave school if their identity is known.

That's right,

What happened yesterday couldn't have been a dream.

I think they mentioned something about dragon lamps and spirits and such.

I TOTALLY BENT ALL THIS BUSINESS DOG

What's wrong?

Why does it have to be like this?

The right box has more my blood as a of the dragon's right
the mystery is not really dragon

Well then why the kissing?

Do you know anything?

It's easier for the 'air' to enter through direct contact

My 'air' becomes polluted if I stay in the human world, and my body starts to weaken

So he needs to help purify my body

What's wrong?

That is the only power that I have

Tadaiki

Do

But

At your
age, that is
a different
matter
altogether.

An heir has an heir's own responsibilities.

The villagers all hope that you could finish the marriage as soon as possible.

About that -
I still haven't

I haven't many days left!

Father

Hurry and settle the marriage

Downfall

How long do you plan on staying with that horse guard?

Are you going?

Hey

If you don't wake up soon,

you're going to lose everything!

That's right!

I only came back to save Ciel!

What would be the use in seeking the villagers?
Or would it be that you are not going to agree to the wedding?

Let go of me!

Everyone knows that you are the heir.

It's not always easy having power in your hands.

Do you really think you can do that?

Heard the bride is arriving tomorrow.

We need to prepare for the wedding immediately.

The villagers don't need to worry any more.
That's wonderful!

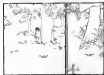

Ciel

How can they decide on things like that?

All of you

Tsunade

you

you

I
have
an
obligation
to
protect
the
village

It
can't
be
helped,
I'm
not
the
same
as
you.

Is it
because you
don't want
me seeing
you in your
physical
condition?

Didn't you
say it was
because of
me that your
brother Sphar
has become
mutilated?

DON'T
COME
OVER!

I understand

I just
have to bring
your son home,
right?

I
under-
stand

But
I just
can't leave

to refuse
your
request

You're
always
been
the
way.

You will
only ask me
for help when
you are
troubled

You're
always
like
that!

Always
just saying
"there's
no other
way!"

Did you
tell me to
bring
Tetsuko
home.

because
you had
lost all
hope for
yourself?

I don't
have the
ability to
protect
the village
anymore.

There's
no other
way.

because
I only
have you
to depend
on now.

When are we going back to the village?

I'm fine now.

Yeah.

When you're fully recovered, we'll go take a break somewhere.

are all inheriting that?

the drying springs

the falling elements

the village's... it's gradually returning.

Byuu: Oh, it's not able to protect the villagers anymore.

Do you still want to go back?
I have said before, I don't intend to go back.

But Totsuki, you should already know.

but...

I'll leave it in your hands.

It is a reason of me that your Dragon Sphere has become impure.

I haven't given up yet.

then, I cannot give up on you all the more.

You look alot better.

If there isn't a new king soon

the village is going to be destroyed

If that is the case,

then take the sphere back with you!

No, you can't!

Without the sphere

Hi

So what you're saying is, what father needs son's son,

but my Dragon sphere

You're aware of the village's situation aren't you?

since the Sphere's effect has diminished

Byuu-Oh has lost the power to defend the village,

This isn't called 'rescuing'?

I didn't intend that I was rescuing from anything.

rescuing off a spring resort is a little too relaxed?

Being rescuing isn't you think?

Sphere

So what happens when that source is gone, huh?

I'm sure you're able to imagine

but... why would that happen

The Dragon Sphere is the source of a dragon king's life force

Two months later, the sphere has also vanished. It is the same day as the previous chapter. (But it was a Sunday morning). The day is...

The
surrounding
"air".

has been
purified

This

too.

so
what if
I do?

Take it!
I said

Do you're finally going to let me see you?

Just what is it...
between these two

It's just that I want to show
this house garden here what consequences
mean for these dragons that have closed

It's not that I want to let you see...

and those eyes

a heart of white hair

Let
your head up and see

There's right

This guy here can always "do" that too because nature

It's possible that he could also purify the tainted sphere within you

Light?

Tenshi's sphere emitted light as soon as the guy touched it

Don't hear if we don't try

I can't do that!

So that's what you really think!

"Tainted" chi huh?

Mistake ...?

Couldn't you say that what happened between you and me was a mistake?

Am I wrong?

Where is Outo?

Don't be so angry.

I'll get him back as soon as it's all over.

Rise Outo back to me!

Helping to heal Ryuu-Oh's sphere.

When is it?

As soon as it's over?

It is -

You mean Toruaki?

Because he has repaired the same mistake that I made.

I fear that.

My son will have the same fate as me.

A dragon that has sinned loses all his powers as well as his sight.

unable to even look after themselves.

If you really care about Toruaki, you have two choices.

One is to leave Toruaki.

The other is to help Ryuu-Oh's sphere recover.

If someone as humble as me can be of any help at all.

I understand.

Father's sphere

has got
nothing to
do with
Outo!

You are
going and
up just
like your
father.

It's
likely that
your own
sphere will
become
tainted
in the near
future.

Really?

I
heard that
the reason
you-Ou's
sphere became
tainted was
because of
what happened
between us.

If
that's
the
case.

then
I have
nothing
more to
say.

If you
will accept
that this
is all
wrong.

But
that
house
guardian
just might
be able
to.

How
ever much
I try, it
wouldn't
be possible.

because
he has
the power
to purify

You

I have.

What about the other's sphere?

Ask him yourself!

He's just as stubborn as someone who I know so I can't stop him from going back to work.
